**Abstrakt:**  
NCP\_WIDERA.NET je evropska mreža podrške za nacionalne kontakt osobe (NCP – National Contact Points) koje rade u okviru WIDERA programa, koji je dio šireg EU okvirnog programa za istraživanje i inovacije Horizon Europe. NCP\_WIDERA.NET predstavlja koordinacijsku i mrežu podrške koja povezuje nacionalne kontakt osobe odgovorne za WIDERA program širom Evrope. Nacionalne kontakt osobe pružaju smjernice, informacije i podršku univerzitetima, istraživačkim institutima, kompanijama i drugim organizacijama koje žele učestvovati u projektima programa Horizon Europe. Ova mreža doprinosi jačanju kapaciteta NCP-ova kako bi mogli efikasnije pomagati institucijama u pripremi konkurentnih projektnih prijava i pronalaženju međunarodnih partnera.
